Minutes: April 5th, 2007, 9:00 to 10:45 am

The Board reviewed the progress of the Bedia project technical planning. Cesar informed the group about a productive meeting with Fred Snitzer, the fabricator, Harvey Nan, Paul Abbott and staff from the project's construction team. The Board also considered and approved Jose Bedia's request for an extension of his deadline to April 15.

The Board reviewed plans for the Dale Andree performances with Ana de Varona present who agreed to assist in coordinating the event.

Cesar review progress on the Matheson photographs exhibition. The group viewed historic pages from an album about Mashta House.

The group also directed Cesar to formulate ideas to expand the Art in Public Places Board into a Cultural Affairs Committee and its potential impact on the cultural life of the Village.
